

# CENTRAL MONTCALM LAPTOPS

Syncing has been turned off to help eliminate errors. You are responsible for your own backups this year.

Please keep the nametag on the bag at all times.

Please keep your laptop and bag clean by using proper cleaning instructions.

Do not share your user name or password with anyone. Learn it and throw it away at home.

Do not allow anyone to use or borrow your computer or brick. You are responsible for them.

Please be aware that changes have been made to the filtering software. Sites that were previously blocked may be unblocked and sites that we previously unblocked may be blocked.

As per the Laptop Handbook that you signed upon receipt of your laptop, you are responsible for up to \$100 if lost, stolen, or damaged.

All laptops have been reimaged and updated. Your machine is now running Microsoft 2011 and has Chrome available as an additional browser.
